Candles of Memory Evening Service (7:30 at Little Current United Church, Wednesday, Dec 12)

Losses of many kinds can take the "Merry" out of Christmas. This year in lieu of a service at Island Funeral Home, there will be a candlelight service at Little Current United Church to acknowledge the difficulties you may be facing, remember loved ones, reflect on what is really important, and receive comfort while surrounded by folks who understand. All are welcome to come, and stay for a time of refreshments afterwards.
