Marina was an artisan of her time. She enjoyed making quill boxes and other birch bark work which were recognized internationally. Ma was an amazing cook especially on family camping trips where there was always a variety of fish from the catch of the day. Her baked goods and homemade soups were thoroughly enjoyed by all her family and the patrons of the former Patsy's Family Restaurant. Marina taught her children the importance of gardening. She also instilled the process of canning for Pa's maple syrup including her mustard beans, chaa chaa, pickled beets and other preserves. She was a hard worker and had strong family values which will be cherished by all. She was an avid hockey Mom for all her boys including many of her grandchildren. She was also a strong advocate for our Anishinaabemowin.
