Wikwemikong,

Stella Rose was a devoted and active member of the Secular Order of Discalced Carmelites, Thunder Bay community. She was received into the order in November 2006 and made her final promises in January 2012. Stella Rose will be deeply missed by her sisters and brothers in the order.

Stella Rose also was passionate to share her knowledge of her Anishnabe culture. While she worked with Indian Affairs Canada in Thunder Bay, Stella Rose fulfilled a role as office elder. One of her accomplishments was establishing a cultural room for employees, where they can practice, share and further their knowledge.
