MacGregor moved to Manitoulin in 1972 from Kincardine Ontario to a beautiful farm on Lake Mindemoya where he raised cattle and horses .

He was an invincible strong willed farmer who had a lifelong passion for horses.

When not farming MacGregor liked to fish, deer hunt, take trips to the St. Jacobs Market to his favorite book store, take pictures of wildlife and play solitaire on his computer.

He also coached Minor League Hockey in Mindemoya and Providence Bay for many years.

Most of all he loved visiting and spending time with grandkids and having his family's fish fry's at the cottage.

As per MacGregor's wishes cremation has taken place and no services will be held.

Arrangements entrusted to Island Funeral Home.
