Patricia was a very humble and loving honest soul and her intentions for everyone were pure and genuine. She always went above and beyond for her friends and cared for and treated everyone as if they were family. Not a single person passed through her life without having a reason to smile. A heart could not be any more giving and loving then hers and the world is a better place because of the lives she has touched. Her love will live on and through everyone she knew. Selfless and light hearted, loving and gentle, strong yet tender, in our hearts forever. If she had one word she could leave in our hearts, the word would be “believe”. Believe in yourself, believe in your journey, believe that you are precious enough and believe you were created to be exactly who you are, believe that life is an evolving, growing and learning experience.

Patricia will be resting at the South Bay Centre, Wiikwemkoong Unceded Territory from Wednesday November 13, 2019 at 11:00 a.m. Funeral services will be held at the South Bay Centre on Thursday November 14, 2019 at 1:00 p.m. Burial will follow at the South Bay Cemetery.
