She will be missed by so many
aunts, uncles, cousins and friends.

Jessica loved to write everyday and spend all her time with
her daughter Jessica Lyn. She enjoyed being outdoors and
doing plenty of native bead work. She was known to be a
very good Jingle Dress Dancer at pow wows and social
gatherings. Jessica was a very bright, unique and smart girl
who was always making others laugh. She loved to draw and
color when she spent time with her daughter. They both grew
a very affectionate bond only a daughter and mother could
have.
