She was many things to us, her children.

Proverbs 31:10

A wife of noble character, dad had full confidence in her. Her arms were always strong for the tasks she was faced with. She was always on the go. She opened her arms to the poor and extended her hands to the needy. Lorina always wanted to help. She was clothed with strength and dignity. Her lips were full of wisdom and faithful instruction. Her children will rise and call her blessed. Her husband also praises her and we honour her for all she has done.

“Mom” loved the outdoors. Hiking through the woods, camping and even hunting. She once caught a moose with Ben. She loved gardening and shared everything that she made and grew including her fresh vegetables and preserves. She loved picking berries. In her spare time she enjoyed doing puzzles, playing scrabble, cards and Bingo. Most of all she loved her grandchildren. Each one special to her in their own unique way.
